Shannon Forwarded message From: Stantos, Abigail <san@sandiego.gov> Date: Thu, Jul 5, 2012 at 8:30 AM Subject: Coastal Commission Permit, Condition #4 To: "player@gmail.com" «player@gmail.com> Good Morning Shannon, I hope you had a pleasant 4n of July. I talked to the representative responsible for the seal issue in La Jolla. They shared the same concerns over Special Condition #4 that the C commission put forward; mentioning that the City of San Diego does not currently have funds budgeted for a monitoring plan/report. There will be a request to the Coastal Commission to ask the National Marine Fisheries Service (NMFS) to perform this work at no cost to the City of San Diego, and also have th NMFS be tasked with enforcing the Marine Mammal Protection Act (MMPA). Hope this helps,</san@sandiego.gov> | come to the new Goo | le Groups! Learn about th | e <u>new features you'll find</u> . | | | | |
