

THE CITY OF SAN DIEGO

WELCOME TO THE CHILDREN'S POOL

Be respectful of the seals in this area

SHARE THE BEACH WITH THE SEALS but keep a safe distance.

The beach and waters are open for public enjoyment.

Please view seals from behind the rope guideline.

50 feet is the minimum recommended viewing distance

STAY BACK - MOVE SLOWLY

Wild animals are unpredictable and may bite.
Get too close and you may frighten the seals.

This could cause pups to be abandoned.

Never has happened

Pups only present in Spring

Harassing, disturbing, or causing seals to flush is a violation of Federal and Local Law and may lead to a citation.

Inaccurate

WARNING/ADVISORY

Contact with water may cause illness as bacteria levels exceed California State health standards. Call the San Diego County Department of Environmental Health @ (619) 338-2073 for more information.
